

Carmeuse, your Lime & Limestone partner providing Natural Solutions

.....

The Carmeuse Group is a leading global producer of lime, with more than 150 years of experience in the extraction and processing of high calcium limestone and dolomitic stone into lime and lime-related products for industrial and commercial customers.

*Lime is used in multiple aspects of our everyday life (steel, construction, agro-food, paper, chemicals, plastics, carpets, paints, flue gas treatment, water treatment, ...).
Carmeuse products benefit the environment in a variety of ways including cleaner air, cleaner water, and the preservation of land resources.*

Staffed by over 4,000 people, Carmeuse is present in about 90 locations across Western, Central and Eastern Europe, North America, Asia and Africa.

Total consolidated group net turnover amounted to 1,129 billion Euros in 2012.*

** Pro forma revenue on yearly basis.*
